Safe Routes
1. Shared play street
2. Multi-modal and active mobility
3. Slow streets and safe intersections
4. Connect youth-centric destinations

Transforming Blight
1. Making vacant lots safe and controlled
2. Activating sites through pop-ups
3. Turning blank sites into recreation space
4. Lot adoption and mowing programs

Connection to Nature
1. Site clean-up
2. Site activation through environmental education
3. Outdoor active recreation
4. Access to waterfront as an amenity

Communications and Awareness
- WiFi hubs and mesh network
- Community centers
- Program ambassadors
- Informational signage
