Goals for a Child-Friendly New Orleans

**STRONGER COMMUNITIES**
- Invest in community resilience and infrastructure
- Foster a connection to New Orleans history
- Establish communication and awareness strategy
- Create new and strengthen existing connection to nature, recreation, and water
- Transform blight into play spaces

**SAFETY**
- Create safe routes, safer streets, and a walkable New Orleans
- Address vacant lots and properties
- Design for neighborhood protection
- Equitable distribution of health amenities and services
- Promote mental health and well-being

**HEALTH + WELLNESS**
- Invest in intergenerational spaces
- Foster a connection to New Orleans history
- Appearance and infrastructure
- Establish a health and wellness strategy

**NATURE + SUSTAINABILITY**
- Create safe routes, safer streets, and a walkable New Orleans
- Address vacant lots and properties
- Design for neighborhood protection
- Equitable distribution of health amenities and services
- Promote mental health and well-being
